Experience

Pactera Technologies

Redmond, WA

Summer Data Intern

June 2018-Aug.2018

- Used GIS programs to analyze Bing's search engine data for match quality in comparison to user intent and evaluated the AI agent Cortana's user experiences to pin point reasons behind "her" failure to fully complete requested tasks, such as a speech recognition malfunction
- Tested and shared input with Microsoft developers on ways to improve a new analysis program with the end goal of generating more accurate training data for the machines

NYU Financial Services and Treasury

New York, NY

Project Management Student Employee

Oct. 2018 – Present

- Support the Executive Director of Financial Systems Management to fill informational gaps caused by mishandled data between NYU employees and the Treasury
- Use advanced excel functions (lookup, pivot, macro/VBA) to clean up dirty data on a macro scale to allow for smoother transitions between different financial software programs

TerraCycle

Trenton, NJ

Business Development Summer Intern

June 2017-Aug. 2017

- Contributed over 80 new prospects to TerraCycle's B2B pipeline of partnerships
- Selected to draft CEO Tom Szaky's speech for the 2018 World Pet Forum and conduct competitor research for TerraCycle's expansion project "Loop" (released this month)

Stern Business School Social Solutions Project Lab

New York, NY

Student Social Entrepreneur

February 2017-May 2017

- collaborated with the director of social impact to compose a business plan that aims to reduce the high rates of social diseases among low-income youth while incorporating triple bottom line value of corporate social, environmental, and financial responsibility

Extracurricular/Community Involvement

King County School District

Bellevue, WA

Personal Finance Seminar Conductor

Feb. 2014-May 2016

- Conducted monthly seminars, focused on topics ranging from taxes to personal banking, at local high schools to teach students the basics of building a secure financial future

Founder of Culinary Club - International School of Bellevue

Sept. 2013-May2016

- Mission: Teach students about the culinary arts and promote community bonding through cooking meals together for staff members and a local men's center

Founder of Red Cross Club - International School of Bellevue

Sept. 2013- May 2016

- Mission: Match students with local non-profits and organize mass community service events
