Experience

NYU Financial Services and Treasury

New York, NY

Funds Security Communications

Oct. 2018 – Present

- Help the Executive Director of the Financial Systems Management Team by ensuring security access available to appropriate faculty for essential financial transactions
- Use excel search functions to streamline communications between faculty and the treasury division

Pactera Technologies

Redmond, WA/New York, NY

Junior Data Analyst

June 2018-Nov.2018

- Analyze queries and accompanying results data generated by a search engine for location and match quality in comparison to user intent
- Tested and shared input with developers on ways to improve and increase the efficiency of a new analysis module
- Work on identifying the types of mistakes made by an AI agent and evaluate overall user experience

TerraCycle

Trenton, NJ

Business Development Summer Intern

June 2017-Aug. 2017

- Helped the world leader in B2B eco-marketing by qualifying and contributing over 80 new prospects to their pipeline of partnerships on Highrise CRM
- Chosen to write CEO Tom Szaky's speech for the 2018 World Pet Forum and conducted competitor research for TerraCycle's highly confidential expansion project

Extracurricular

Stern Business School Social Solutions Project Lab

New York, NY

Student Social Entrepreneur

February 2017-May 2017

- Worked with the Stern Director of Social Impact Programming to draft a potential business solution to a pressing social issue, High Rates of STDs Among Low-income Youth, that incorporated triple bottom line value of corporate social, environmental, and financial responsibility
- Learned about successful sustainable business practices from founders of social enterprises

King County School District

Bellevue, WA

Personal Finance Seminar Conductor and Manual Writer

Feb. 2014-May 2016

- Worked with a financial advisor to create a Personal Finance Manual for Young Adults that was distributed throughout the district to increase youth understanding of practical and necessary financial knowledge not included in the standard high school curriculum
- Conducted monthly seminars, focused on taxes, personal banking, insurance, and retirement, at local high schools that taught students the basics of building a secure financial future
